

**Dear Parents and Carers,**

**Re: Home-School Agreement**

Please find attached a copy of our home-school Agreement. All schools must have a home-school agreement. By having one, we hope to contribute to school effectiveness by strengthening the partnerships between parents and carers and our school staff. We hope you will agree that it provides a useful overview of the relationship we want to develop and grow.

To confirm that you have received this letter and your copy of the agreement, please complete the tear off slip below, and return it to the school office .

If you have any comments you wish to make about this document, please use the space provided on the reply slip.

I look forward to receiving your comments and the completed slip

With best wishes,

**Karen Clark, Head of School**
